## Education

**University of Waterloo**, Waterloo, ON, Canada  
*Candidate for Bachelor of Mathematics (BMath)*

September 2020 - May 2025

**Wilfrid Laurier University**, Waterloo, ON, Canada  
*Candidate for Bachelor of Business Administration (BBA)*

September 2020 - May 2025

## Work Experience

**Bateman MacKay**, Burlington, ON  
*Staff Accountant Co-op*

January 2022 - April 2022

- Prepared and completed corporate, trust and personal income tax returns using Taxprep and Caseware (approx. 600 returns)
- Identified savings for clients and recommended ways to cut taxes in future years complying with federal and provincial tax regulations
- Fostered positive client relationships through strong interpersonal skills, including timely communication, & a service-focussed approach
- Became a valued member of the staff team, participating in daily meetings with colleagues, responsive to supervisor direction & feedback

**Brantford Golf & Country Club**, Brantford, ON  
*Backshop Attendant*

May 2021 - September 2021

- Served members and guests in preparation for their golf game, including welcoming and preparing their clubs and power carts
- Ensured members & guests were assisted and ready for tee off in a timely manner, with attention to detail
- Welcomed and interacted with golfers in a polite, calm and friendly manner
- Responded to needs and problems as they arose, with minimal supervision

**Ancaster Mill**, Ancaster, ON  
*Restaurant Support*

April 2018 - September 2020

- Prepared food and food stations, including wedding prep and plating, dishwashing, oyster shucking
- Persisted with demanding, repetitive work over long hours (shucking around 700-1200 oysters over 7+ hours)
- Helped other team members who were struggling in the kitchen when I had a spare moment
- Dealt with pressure calmly and customers tactfully when there were line-ups at food stations that I was responsible for

## Projects

Portfolio Website | Personal project

July - September 2022

- Coded a portfolio website to showcase projects
- Utilised a variety of online resources to enhance the project

App Design and Prototype | Business project

February - May 2021

- Used Adobe Suite to design and prototype an app
- Designed the full app and built a fully operational prototype of the app

Hamilton Golf and Country Club Yardage Book | Personal project

June - August 2020

- Designed a professional yardage book using Adobe Suite
- Sought opportunities for feedback from a variety of professionals
